Gary Weiss has defamed me- as usual. In court documents I stated that Gary Weiss could have been a Kapo in Auschwitz.

Weiss took umbrage at this true description of his mentality and anonymously labeled me, a Jew baiter and an anti-Semite.

Weiss violated all principles of the Torah and Talmud by lying about the murders of Al Chalem and Maier

Lehmann. Weiss attributed the murders of Chalem and Lehmann to the Italian Mafia when Weiss knew that the Russian Mob had murdered Chalem and Lehmann.

Weiss defamed me in the article, Offering Credence to the Crank, and was forced to resign from BusinessWeek in May 2004. Why? Weiss had lied and stated that I was not the source of information concerning illegal trading by specialists and price fixing in options. Weiss also defamed me, referring to me as a Crank.

When I sued Weiss in court, Justice Stallman accepted the perjured testimony of Weiss even though I vociferously stated that Weiss had committed perjury. When I proved that Weiss had committed perjury, Stallman, in violation of all judicial principles, quoted the perjured testimony of Weiss and stated that I had not objected.

I have stated that Justice Stallman accepted the perjured testimony of Weiss, whom I had proved had

stolen money from BusinessWeek via false expenditures.
Stallman even lied and stated that I had not
objected to Weiss's perjured testimony.

I stated that Stallman's many lies were due to the fact that
Weiss and Stallman were Jewish.

The Babylonian Talmud, authored during the Babylonian Exile,
stated that Jews cannot testify against each
other in court. An Orthodox Jew attempted this in the court of
Judge Jack Weinstein, a true tzaddik. The
Honorable Jack Weinstein threatened this miscreant with jail-
and quoted the rabbis of New York City,
who stated that this Talmudic injunction is not followed in the
United States.

So, Weiss called me an anti-Semite, a Jew baiter- and thus,
ignored the words of Maimonides, who stated
that Jews must lead an exemplary life because they had been
chosen by God to be a light unto the world.

Instead we have a racist scoundrel like Weiss, who lies about the
murders of Chalem and Lehmann; who
smeared my name and by doing so covered up narcotics
smuggling and money laundering on Wall Street as
well as the theft of billions of dollars by Ferdinand mrcos from
the Philippines; in addition to a plethora of
financial crimes.

Weiss is a liar and a cheat.

Furthermore, Weiss did not pay taxes on the thousands of
dollars that Weiss misappropriated from
BusinessWeek. And Weiss boasted to me that Stephen Shepard
permitted this theft of funds because Weiss

and Shepard attended Bronx High School of Science (different decades) and were Jewish.

Weiss also told me that Stephen Shepard permitted Seymour Zucker to trade during business hours from his desk. Seymour Zucker was a friend of Feivel Gottlieb, who was an investor in the stock frauds of Maier

Lehmann. (Note the stock frauds were manipulated by members of Lehmann's synagogue- including Gottlieb.)

But even worse, Zucker traded on the advice of Gottlieb and it has been rumored that Gottlieb traded for Zucker's account- a rumor I must state.

So, Weiss truly would have been a Kapo in Auschwitz.

Weiss is a racist, who will lie to advance his career- even providing false information about the murders of two Jews, Al Chalem and Maier Lehmann in order to advance himself.

Thank you.

Sincerely,

Edward Manfredonia

Gary Weiss is quoting Sam Antar, who on the surface appears to have chanded his life.

But this is supreficial.

In September 2005 I was in Supreme Court, Manhattan County. I met an interesting fellow in the courthouse. He was a cousin of

“Crazy” Eddie Antar. And he provided me with an interesting story.

It appears that “Crazy” Eddie’s niece, not Sam Antar’s daughter, was going to have a bat mitzvah. So “Crazy” Eddie sent an approximate amount of “20,000 for his niece’s bat mitzvah.

“Crazy” Eddie wired the money from a bank in Israel.

So, if Sam Antar is such an honest individual, I am certain that he has provide this information to the United States government- and the government is collecting the money.

People trust me. No one trust Weiss except for some short sellers. And if Weiss were such a genius, why was he not aware of the scam that Eddie Antar was accomplishing.

The reason: Weiss relies upon crooks and people, who violate federal securities laws by illegal short selling.

Thank you, Gary and Sam.

Sincerely,

Ed Manfredonia

Several years ago I began to write that Gary Weiss had lied about the murders of Al Chalem and Maier Lehmann. Weiss attributed these murders to the Italian Mafia. Weiss knew that Chalem and Lehmann had been murdered by the Russian Mob.

What is important to note that after I had posted that Weiss had lied about the murders of Chalem and Lehmann, Floyd Schneider, under the psuedonym The Truthseeker, posted on a message board, I believe that it was Silicaon Investor, a long article. This article delineated Chalem’s Mafia contacts.

But Floyd Schneider did not write the article. This article was written in the turgid, constipated style of Gary Weiss.

This is important for several reasons.

The first is that it is painfully obvious that Floyd Schneider does not author his own scribblings- except for short moronic messages that he posts on message boards.

The second is that Floyd Schneider is obviously fronting for individuals, who have a specific agenda. In this instance it was Gary Weiss, who lied about the murders of Chalem and Lehmann. In other instances Schneider is fronting for short sellers.

While Al Chalem had previously had connections with the Italian Mafia, Lehmann refused to have anything to do with the Italian Mafia. Lehmann's partners in his stock frauds were Orthodox Jews, many of whom, such as Feivel Gottlieb, were members of his synagogue.

This was known to Gary Weiss, a great defender of Israel, and to Weiss' editor, Seymour Zucker.

Seymour Zucker and Feivel Gottlieb belonged to the same Talmud study group.

Seymour Zucker knew that Feivel Gottlieb was involved in the stock frauds of Maier Lehmann. Zucker knew that Gottlieb had earned millions in the stock frauds of Maier Lehmann, who was descended from a long line of Rabbis.

Weiss knew of the involvement of Orthodox Jews in the stock frauds of Maier Lehmann, but Weiss refused to expose the stock frauds of Maier Lehmann because Weiss would have been compelled to expose the involvement of an entire Orthodox synagogue in the stock frauds of Maier Lehmann.

Better to attribute the murders of Chalem and Lehmann to the Italian Mafia- and obtain a book contract. (Even though the book bombed.)

60 Minutes would never have Weiss appear if Weiss were to attribute the murders of Chalem and Lehmann to the Russian Mob, which was created by the Jackson-Vanick Act. Every parent, whose child uses ecstasy, can thank the Russian and Israeli Mobs for their child's drug abuse. And this was stated by the State Department several weeks ago.

Yolanda Holtzee must be kidding. Yolanda desires to become Chairman of the Securities and Exchange Commission.

Yolanda's credentials militate against any position with the Securities and Exchange Commission.

Yolanda boasts that she works for Bear Sterns. In the 1980's and 1990's Bear Sterns cleared for the worst chop shops, brokerage firms that participated in stock frauds.

Bear Sterns also was involved in a "joint book" with the American Stock Exchange specialist firm of Miceli-VanCaneghan. Louis Miceli, who died under unusual circumstances in January 2006, was a fervent anti-Semite, who believed in Hitler's extermination of the Jews.

Bear Sterns cleared for A R Baron, a firm whose principals were convicted of stock fraud, etc. Under federal securities laws an introducing broker can only mark up securities by a specific amount. A R Baron exceeded these mark ups and Bear Sterns was aware of this. The trading sheets, which were produced by Bear Sterns Clearing, proved this. Thus, Bear Sterns knew that A R Baron was stealing from its customers.

Bear Sterns was saved by an indictment only by the friendship that existed between Arthur Levitt, then Chairman of the Securities and Exchange Commission; Robert "Tzaddik" Morgenthau, Manhattan District Attorney, who according to Sidney Schanberg, does not indict his friends; and, Alan "Ace" Greenberg, Chairman of Bear Sterns.

Note: The refusal of Robert Morgenthau to indict his friends is known to "Honest" Sam Antar, convicted felon and at heart still a scam artist, and Gary Weiss, a liar thief, perjurer, and racist and a disgraced former reporter for BusinessWeek. "Honest"

Sam Antar observes 611 mitzvot, neglecting to observe two of the Ten Commandments: Thou shall not bear false witness against thy neighbor and Thou shall not steal. (More of Bear Sterns and the five Tzaddiks in a later installment.)

Even more distressing is Yolanda's boast of a business relationship with Marc Rich. Marc Rich sold Iranian oil while Iran held Americans hostage. Marc Rich, an American citizen, was prosecuted and convicted by Rudolph Giuliani- a conviction for which Giuliani was smeared.

Marc Rich continues to trade Iranian Oil even as American soldiers, young men and women, are being murdered by Iranian supplied explosives and weapons in Iraq.

Marc Rich places money before his country, America, and before the lives of young Americans.

What is more surprising is that Yolanda Holtzee served in the American military for seven years and yet, she defends and supports Marc Rich- and the scum, who assist him in trading.

Yet, Yolanda boasts of her military background and denigrates the fact that neither Judd Bagley nor Patrick Byrne served in the military.

Yolanda willfully overlooks the lack of a military background of both Sam "The felon" Antar and Gary "The Perjurer" Weiss. I know Weiss and Weiss has never expressed any allegiance to the United States. Weiss has never praised the United States. Furthermore, Weiss has lied about his father's participation in World War II.

Weiss likes to state that he was a Navy brat to provide the impression that his father served in the United States Navy during World War II. Yet, Weiss's father never served in the Navy. Weiss's father was a civilian employee of the Brooklyn Navy Yard. And while my father and his relatives were being

wounded and killed by Nazis, Weiss's father was safely ensconced in New York City, dancing the night away.

Yolanda, you should never make fun of another individual's religion. That is one of the fundamental precepts of America. Even though Sam Antar and Gary Weiss smear people's names because Antar and Weiss are basically evil and cowards. (More of that later.)

Furthermore, Yolanda you have been lies than forthright about your ties to any hedge funds. Nor have you stated if you are personally short Overstock or if your hedge fund connections are short Overstock.

Remember this about Gary Weiss: Weiss was provided information by several individuals about money laundering and narcotics smuggling on Wall Street. Gary Weiss and Sam Antar are such low-life scummers that they are willing to cover up narcotics smuggling and money laundering on Wall Street by smearing my name in order to cover up their own lies.

Weiss also mentions in the article, Scandal On Wall Street, that I, Ed Manfredonia, had reported that a prominent exchange member had sexually assaulted women. But Antar and Weiss approve of rape and sexual assault as long as their family and friends are not involved.

And Sam Antar never told anyone about Eddie Antar illegally sending money to the United States.

And above all remember this:

When you sleep with vile pigs like Sam Antar, a thief and a liar, and Gary Weiss, a liar, thief, perjurer and racist, you wake up covered in pig manure and suffering from trichinosis, a vile disease.

HOW GARY WEISS AND SAM ANTAR RAISED THE FALSE
CRY OF ANTI-SEMITISM TO COVER THEIR OWN
CRIMINAL ACTIVITY.

Before I commence this commentary I wish everyone, who reads this message, to know that I was the individual, who provided Gary Weiss with the information for the sections of the article, Scandal On Wall Street, which sections exposed option price-fixing and illegal trading by specialists. Weiss was forced to resign from BusinessWeek for lying about this matter in his defamatory article, Offering Credence to the Crank.

Also it does not matter to Sam Antar and Gary Weiss that when the late Louis Miceli praised Hitler's extermination of the Jews, I told Miceli, a member of the Board of the American Stock Exchange and a director of Bear Sterns, that he was nuts. No Jew would stand up to Miceli- only a goy, Ed Manfredonia.

Sam Antar, aka Sam the Ant, and Gary Weiss, aka The Perjurer, have learned the message of hate as exemplified by Julius Streicher, publisher of Der Sturmer. Weiss and Antar have learned an important message from their twisted role model.

When one is caught perpetrating either a crime or disseminating lies, scream "anti-Semite" in order to rally support around you.

Sam "The Ant" Antar is an Orthodox Jew, who observes 611 if the 613 mitzvot found in the Talmud. Sam "the Ant" has consistently refused to follow two of the most important. These two are the two Commandments: Thou shall not covet thy neighbors' goods (Thou shall not steal) and Thou shall not bear false witness against thy neighbor. Gary "The Perjurer," although not an observant Jew (remember the pig's blood episode), also violates with impunity the two same Commandments: Thou shall not covet thy neighbors' goods and Thou shall not bear false witness against thy neighbor.

Both Antar and Weiss are vile, odious creatures, who defile the memory of 6 million Jews, murdered by the Nazis, to cover up their own criminal activities.

Thus, when Patrick Byrne, Chairman of Overstock, stated that the Israeli Mob was responsible for smuggling ecstasy into the United States, Weiss termed Byrne an anti-Semite. Recently the American government has stated that most of the ecstasy, which is found in America, has originated in Israel. Of course, Weiss has refused to apologize to Patrick Byrne for Weiss's character assassination, but then again Weiss despises individuals, who are of Irish descent.

Gary Weiss and his buddy, Sam Antar, who stole hundreds of millions of dollars from the American public but nothing from members of his synagogue in the Crazy Eddie stock fraud, believe that it is permissible for members of the Board of the American Stock Exchange to launder drug money and to smuggle cocaine into the United States if Arthur Levitt wishes to cover up these crimes.

Note: In preparing the article, Scandal On Wall Street, Gary Weiss interviewed several members of the American Stock Exchange, who told Weiss about the money laundering and drug smuggling at the American Stock Exchange. Furthermore, one member described in detail to Weiss that he had a meeting with FBI Special Agent Joseph Yastremski, who threatened him with prison if this AMEX member did not reveal all that he knew about narcotics smuggling and money laundering at the American Stock Exchange. Assistant United States Attorney Frances Fragos also knew of this money laundering and narcotics smuggling. (Please read a third party affidavit, which appears in Part I of my website, WallStreetScandals.com.)

Gary Weiss does not care if your children abuse drugs because, Praise the Lord, Weiss has no children.

Sam Antar does not care if your children use drugs because member of his wealthy synagogue have hired a private security force to patrol their neighborhood so that drugs cannot be sold in the environs and so that the members of the synagogue can not be assaulted. But you must know this: You cannot purchase a house in Sam Antar's neighborhood because Sephardic Jews only sell to Sephardic Jews. Sorry Sam "The Amt" but that is racism.

While American soldiers, young men and women, are killed in Iraq, neither Sam Antar nor Gary Weiss has condemned Marc Rich, who was convicted of tax fraud and trading Iranian oil when Americans were held in captivity by Iranians. And Marc Rich has continued to trade Iranian oil even as young Americans are murdered with weapons and explosives provided by Iran. But then again, Weiss and Antar appear to owe no loyalty to America and its young soldiers.

It appears that the lives of young Americans do not matter to Sam Antar and Gary Weiss.

Sam Antar and Gary Weiss are a disgrace to the human race.

Edward Manfredonia

SAM ANTAR: A SPIRITUAL DESCENDANT OF THE KAPPOS IN
AUSCHWITZ

Sam Antar is a liar, thief, and convicted felon. Sam "the Ant" smears my name because I have proved that Sam "the Ant" is a hypocrite.

Sam's beloved cousin, Crazy Eddie Antar, continues to launder money into the United States sending part of his vast, illegal fortune to his relatives.

Crazy Eddie does this by means of Israeli Banks. How would I know this? Because one of Eddie Antar's cousins told me about the money laundering. If

I know about the money laundering, why has Sam “the Ant,” a self-proclaimed reformed thief not sent a letter to either the Securities and Exchange Commission or the Department of Justice?

Probably because he would have to obtain permission to inform on his cousin. And nobody in his small circle of friends wishes to expose the tip of the money laundering iceberg.

Several questions for Sam Antar.

Did Sam keep millions of dollars that were stolen from American citizens?

Did Sam short the stock of Crazy Eddie in offshore accounts?

Is Sam “the Ant” the consigliere of Gary Weiss, who has covered up murders that were perpetrated by the Russian Mob?

Does Sam “the Ant” have any connection to the Russian Mob in Brighton Beach?

Does Sam “the Ant” possess knowledge of the murders of Al Chalem and Maier Lehmann?

These are valid questions, which have not been answered.

But permit me to shed some light upon the nature of Sam “the Ant.” Sam was an almost universal thief—almost. Sam stole hundreds of millions of dollars from Muslims, Christians and Jews— and Mormons. But Sam Antar was not a sociopath. Sam Antar and his cousin Crazy Eddie did not steal from members of his Orthodox Sephardic synagogue. How do I know? Members of the synagogue told me this important fact.

So, it is readily apparent that perhaps 100 people, members of the synagogue, knew that the stock of Crazy Eddie was a fraud, yet not even one individual from the synagogue informed either the Securities and Exchange Commission or the Department of Justice. That is a fact— and facts can have no value judgment and express no opinion.

You must understand that to Sam Antar, you are not a human. But there is a difference. The Kappos in Auschwitz stole the lives of people. Sam Antar only wanted to steal your money.

And Sam the Ant will smear the name of any decent person, who exposes the lies and hypocrisy of anyone that dares to expose the basic indecency and inhumanity shared by both Sam Antar— and his spiritual mentor, Gary Weiss.

Sam "the Ant" is perhaps the biggest anti-Semite in New York City, because he smears the names of decent people to cover up his financial crimes. And by so doing gives rise to scandal.
