2. I understand that New York State law requires that a contribution be in my name and be from my own funds. I hereby affirm that this contribution is being made from my personal credit card account, billed to and paid by me for my personal use, and having no corporate or business affiliation; and is not being made as a loan.
3. I am making this contribution with my own personal credit card and not with a corporate or business credit card or a card issued to another person.
4. I am a U.S. citizen or lawfully admitted permanent resident (i.e., green card holder).
5. I am at least eighteen years old.
6. This contribution is made from my own funds, and funds are not being provided to me by another person or entity for the purpose of making this contribution.

State law prohibits making a contribution in someone else's name, reimbursing someone for a contribution made in your name, being reimbursed for a contribution made in your name, or claiming to have made a contribution when a loan is made.
